DIGITAL INCLUSION

ICfL supports digital inclusion:

1. **Grant -- "Rural Libraries Connecting Idahoans via Wi-Fi Hotspots"**
   49 small/rural public libraries received equipment / service to boost broadband & make it available 24 / 7 in communities of fewer than 10,000 residents

2. **Mini-grants**
   many libraries purchased additional computers / tablets

3. **ICfL's LiLI.org**
   LearningExpress -- Popular Skills
   Software Center -- offers tutorials on Microsoft software and Adobe products

4. **ICfL consultant**
   Library Technology Consultant
   William Lamb -- assists with E-rate, EOR, technology, computing, & internet

5. **ICfL's IDEA -- statewide e-book service**
   IDEA -- Idaho Digital E-Book Alliance
   high-quality e-books / e-audio made available at no cost to school libraries & public libraries w/OverDrive
