A. Competitive Grant Application Evaluation Summaries

Boise School District – (Advisory Council ranked this grant application 4th)

- Engage learning with Big6 Skills
- \$17,083.00 in LSTA requested
- Project recommended for funding by staff and LSTA Advisory Council

Plus	Delta
Raises the awareness of the value of school libraries.	Not sure what Big6 is (explained during the meeting).
Letter of support from key administrators in the district.	
Creating a partnership between library and schools.	
District has appropriated funds on annual basis for the continuation of this training.	

Challis Public Library – (Advisory Council ranked this grant application 2nd)

- Education Outreach 2010
- \$7,962.00 in LSTA requested
- Project recommended for funding by staff and LSTA Advisory Council

Plus	Delta
Partnership between the school and the public library.	Concerned about sustainability.
Love the idea of a homework club.	Bandwidth could be a problem in Challis.
A noble grant that calls for funding.	Is 1 person for 6 hours a week enough?

Kootenai Shoshone Area Libraries – (Advisory Council ranked this grant application 1st)

- KSAL-Post Falls Equalization of Services
- \$70,826.00 in LSTA requested
- Project recommended for funding by staff and LSTA Advisory Council

Plus	Delta
Grant will broaden the strengths and services of each library as they merge.	Grant seemed a little vague.
Every patron will receive the same programs and services no matter where they reside in the district.	Concern about purchasing a van.
Delighted with all the planning that was done.	
The concept of the grant is good and makes perfect sense.	
District has identified all the things they need to do this project well.	

Kootenai-Shoshone Area Libraries – (Advisory Council ranked this grant application 3rd)

- Promotion of Equalization of Services: KSAL-Post Falls
- \$32,437.00 in LSTA requested
- Project recommended for funding by staff and LSTA Advisory Council

Plus	Delta
Like that they are going out to bid for the promotion.	Seems like a lot of money for promotion.
Branding is important, especially when those tax assessments show up on property tax assessments.	
Branding and designs should be professionally developed and tested.	

Twin Falls Public Library – (Advisory Council ranked this grant application 5th)

- Internet Basics for Seniors

- \$6,757.00 in LSTA requested
- Project recommended for funding by staff and LSTA Advisory Council

Plus	Delta
Needs were really investigated.	Laptop cart looks difficult to move.
Willing to serve the nonresidents.	
The library is a great place to access this kind of training.	
Glad they are providing additional training with the laptops and not just to the senior center.
