

V. LIBRARY SERVICES AND TECHNOLOGY ACT (LSTA)

B.2. Program - FY2013 Allocation Plan

Information about the Federal FY2013 LSTA Allocation Plan is scheduled for distribution to the Idaho library community in late June. The Plan provides for a process for Idaho libraries to apply for grants to support individual employee or group continuing education activities, and first time attendance at a library conference. We expect our FY2013 allotment will be less than in FY2012, leaving insufficient funds for an open competitive grant round.

Suggested motion: I move that Federal FY2013 LSTA Allocation Plan as described in Board Document 12-33 be approved.
