

- I. CALL TO ORDER
 - B. Revision to Agenda
-

With the receipt of the federal funds for the Routes to Reading and recent close examination of anticipated expenditures, it has been determined that the Commission's spending authority will be inadequate for SFY13. This amendment to the agenda will allow the Commissioners to consider the spending authority issues and to take any action required to rectify the situation.

Suggested motion: I move to amend the agenda to add the two action items contained in proposed Board Document 13-09, Section V. Finances.
