Project Information:

- Library Name: Bear Lake County Library Library Contact: Mary Nate
- A short description about the creation. What media, computer program, or design method was used:

The Bear Lake County Library held a "Take Apart" night for Teen Tech Week this year. The event was held on March 18 from 5 - 7 pm.

Turnout was not exactly overwhelming, as school activities interfered for both high school and middle school students, but those that attended had a wonderful time.

We learned a lot from the kids, and hopefully they learned as well. We will repeat this program soon. Kids came back the next night wanting to do more.
