@your library

**TEEN  
TECH  
WEEK™**

Thank  
s for

sharing your DIY program details and participant feedback. All completed entries will be entered into a drawing for additional Make It resources.

**Library:** Buhl High School Library

**Contact Name:** Susie Jones

**Date(s) of Program(s):** 3/16/15

**Number of Participants:** 5 students, but two left early

**Partner(s):** Buhl Public Library

**Description of Program/Activity:** We tore apart a computer and several keyboards and tried making some jewelry. Participants were offered the option to make a breadboard circuit, Scratch program or wearable computer jewelry. We discovered we needed more time!

**Paste pictures, links to videos, and participant comments here:**

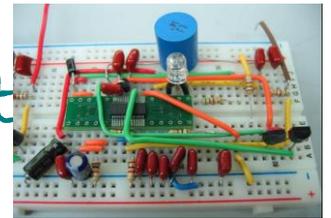

"This was fun! Let's do it again!"

Poster advertising the activity:

# Monday After School in the Library!

Come make a breadboard circuit

Scratch Program

Wearable Computer Jewelry
