Thanks for sharing your teens ideal Get-Aways with us! Choose up to three (3) projects to share and they will be entered into a drawing for a set of the Teens Top Ten hardcovers from 2015. Please provide the following information for EACH of the projects submitted.

Submission Guidelines:

1. A maximum of three projects per library may be submitted for this challenge.
2. Insert a picture of the get-away in .jpg format, or include the URL if it is a video or can be seen online. (If you need help, call us!)
3. Fill in the project information below and
4. Save this document in .pdf format and email the file to Sue by the November 6th deadline.

Project ONE Information:

Library Name/Project Name or Identifier:

**Camas County School District Library**

**Priscilla Williamson , Camas County School District Jr. High School Reading Club member**

**World Culture Presentation about Switzerland.** Priscilla was inspired by the book “Die Schweiz” (Memories of Switzerland) by Reich Verlag.

A short description about the get-away. What media computer program, or design method was used.

This year the National Teen Read Week theme is **GET AWAY @ YOUR LIBRARY.** The Camas County School District Jr. High Reading Club officers decided they wanted to focus on Cultures of the World and Cultural Festivals. Priscilla Williamson was interested in giving a presentation about Switzerland because this was her Mother’s home country. A Publisher document was developed with information about the project which includes some of the pictures taken at the event on Oct. 22, 2015 in the Camas County School District Library. More pictures will be included on the library website under Teen Read Week 2015 [http://camascountyschoolslibrary.weebly.com/](http://camascountyschoolslibrary.weebly.com/) and on U-Tube  [Book Club by Conny Williamson](http://www.youtube.com/user/BookClubbyConnyWilliamson)

Group picture of the Jr. High Reading Club members before dinner. Priscilla is on the right corner with her sister and brother in front of her.

Some Mothers attended also.

Bottom – group picture with Priscilla working on the computer as Conny tells about Switzerland and its culture.
A short description about the get-away. What media computer program, or design method was used.

Nikki Kepford CCHS Reading Club Historian and his committee made a CCS Staff “Our Lineage” Bulletin Board and Student Passports. Staff pictures have been mounted around the edges. Each staff member has listed the names of the countries from which their families originated. Most of the staff originated from Europe but we do have some American Indian decedents and a few from, Cuba, Central America and South America. Nikki and his committee then mounted international flags showing staff country origins on the world map and by the staff members pictures. Then the committee ran red yarn from the staff member’s picture to the country of origin on the world map. The bulletin board has been a great sample of American Immigration.

Nikki Kepford and committee made Elementary Students’ Passports. The passports look like the real thing with their name, picture, date of birth, place of birth, etc. These passports will have a flag from the country that they learn facts about that will be placed inside and will be stamped during the school year as they come to the library for their weekly library classes.

Nikki’s project was inspired by the book “Toward a Better Life: America’s New Immigrants in their Own Words from Ellis Island to the Present” by Peter Morton Coan

Drew Hallowell, President of the HS Reading Club has been spearheading the recycling effort that was chosen during our opening planning meeting in September. On Oct. 5, 2015 the Camas County School Reading clubs started a Camas County School Recycling Program. The Jr. High club members made a bulletin board in the hall by the library and the HS Reading club members made a bulletin board in the HS hallway. Mrs. Candice Smith’s Third grade class has been helping with the lunchtime recycling. Mrs. Cobble has been telling students about the program during library classes. The Recycling Center is in the HS North Hallway. PTO members and CCSD staff have been helping deliver the recycling to the Recycling Transfer Stations in Blaine and Twin Falls Counties. Our motto is Reduce, Reuse, and Recycle. We will recycle plastics #1-5; cardboard; aluminum/steel/tin cans, aluminum foil, and pie tins; and mixed paper.

The week of Oct. 5-9, 2015 the Reading Clubs also are sponsored the 2015 Global Cardboard Challenge K-8. Students, teachers and parents brainstormed crazy ideas, made sketches, built and tested creations. The student creations were displayed in the library and they were entered in the challenge and our entries were placed on Twitter.
