

**Project or Team Name:** Magen Myers & Jessica Whitehouse  
**Book Title/Author:** Mocking Jay by Suzanne Collins  
**Library Name:** Centennial High School

**Essay:**

**We like this book because it has good action. A romance that's on the edge of Peeta killing himself because he does not know what is real or not. It has an epic battle. I act like Katnass a lot. The feeling, the actions. A lot of it.**
