

Libraries are for making..... Submission Template

Submission Guidelines:

1. Only one project per library may be submitted for this challenge.
2. Insert a picture of the creation **in .jpg format**, or include the URL if it is a video or can be seen online. (If you need help, call us!)
3. Size the picture to approximately 4-5 inches in height to keep your submission on one page if possible.
4. Fill in the project information below and
5. Save this document in **.pdf format** and email the file to [Erica](#) or [Sue](#) by the April 6, 2015 deadline.

Project Information:

- Library Name: Community Library Network at Hayden
- Library Contact: Nick Madsen
- A short description about the creation. What media, computer program, or design method was used:
A middle school aged student used Tinkercad.com, a cloud-based CAD program, to create a digital model of the Deathly Hollows. Pinkie Pie, a Mendlemax 3D Printer living at the Hayden Library, was then used to manufacture her design in the real world.
