## Basic Directions for Entering the Wimba Room after running the Wizard.

The screenshot shows the Wimba interface. At the top left is the Wimba logo with the tagline "people teach people". Below the logo are two tabs: "Open Rooms" (which is active) and "Archives". Under the "Open Rooms" tab, there is a text prompt: "Click on a link below to enter a room." Below this prompt is a list of links, each preceded by a right-pointing chevron (>):

- > [aaatest](#)
- > [ID Breakout Room 1](#)
- > [ID Breakout Room 2](#)
- > [ID Breakout Room 3](#)
- > [ID Breakout Room 4](#)
- > [ID Breakout Room 5](#)
- > [ID Conference Room 1](#)

A large red arrow points from the right side of the list towards the "ID Conference Room 1" link.

4. Click on Conference Room 1 – which will take you into the Wimba room. Once you are in the room, you will be asked to do a sound check by holding the control key down while you talk (works like a walkie talkie)
