Garden Valley Library's Summer Read Mission

The Garden Valley Library's 2015 Summer Read Program has a two part mission.

1. To provide an exciting and fun learning environment for children throughout the summer, engaging students in activities, challenges, and presentations.
2. To challenge the students to continue reading throughout the summer (preventing the summer slide), track their time spent reading, and reward their efforts with prizes.

Garden Valley District Library's Summer Read 2015 Program surpassed all expectations!

168 children participated in Summer Read 2015 Every Hero Has A Story.

141 children logged their reading minutes.

155,280 minutes were reported during the program.

Every child who recorded reading minutes were awarded a prize at the Grand Finale — BSU Football tickets, Roaring Springs, 5 bikes, fishing rods, games, puzzles, rafting tickets, iPod, Kindle Fire, Zoo Boise, Ice World, Bogus Basin Lift Tickets, gift cards, and so MUCH MORE!

2588 READING HOURS RECORDED DURING SUMMER READ! AMAZING!!!

POW! **BAM!**
READ!

THANK YOU to all the sponsors, businesses, and individuals, that have made Summer Read possible. 168 children participated in Summer Read 2015, 141 children recorded their reading minutes, and over 2500 hours of reading was reported! This is an average of over 18 hours per child! Please take a moment to look over this list, support these companies, and thank these volunteers for their commitment to our Garden Valley Library and the Garden Valley children. ~ Stephany Corn & The Garden Valley District Library
