Essay:

I like the book "The Sea of Trolls" by Nancy Farmer. It has a lot of action and adventure. I like that there are lots of monsters in this book. It is a great series and this is the first book. You feel like you need to read more. This book is about a boy and a girl. The girl gets kidnapped and the boy saves her. It is a great book and I recommend it to everyone who likes adventure and action.
