Hailey, ID 83333

Dr. Jenny Emery Davidson is the director of the College of Southern Idaho Blaine County Campus, and she teaches in the CSI English department. She received her bachelor's degree in English from Carleton College and her doctorate degree in American Studies from the University of Utah. Her research and writing have focused on the West, contemporary memoirs, and environmental literature. Recently, she served a Fulbright fellowship in Mexico where she taught a class on the literature of the American West at the University of Guanajuato.
