The Lightning Thief by Rick Riordan

Report by Bethany

The book that I have chosen is Percy Jackson and the Lightning Thief. It is very good and kept me going. It is written by Rick Riordan. He is a really good author. Why did I choose this book? It is a very excellent book for every age. It kept me reading. It kept me wondering what will happen to Percy and his friends.

Percy went to public school but he got kicked out or expelled from public school. His mother put him into private school. He is a half blood. He is half human and half god. He and his friend Grover have been together since kindergarten. Grover is a goat boy. Why do I like this book? It is very fun to read. Rick Riordan has a lot of thought through mythology.
