What is my favorite book?, is probably one of the hardest questions I'm asked. I'm young and have read lots of amazing books. If you're an avid reader, you'll understand how hard this question is. Since I must choose, I chose the most recent book I've read, "The Name of the Wind", (Kingkiller Chronicles, Day 1), by Patrick Rothfuss. It's a great book, with a fast paced plot. I was never bored and it was always hard to put down. I would recommend it to anyone, whether they like to read or not. It is probably the best book I've read this year. I'm in the middle of the second book now and it is living up to its predecessor. They've already started making the first into a movie. To truly understand why this is my favorite book, read it yourself. You won't be disappointed.
