

# Tel-A-Claim Discontinued

## File your weekly claim online!

### *What's happening?*

The option to call in to file your weekly unemployment claim will be discontinued effective July 21, 2013.

### *How will I file my weekly report?*

Filing online, using the Internet, will be the only reporting method available.

### *What if I don't have access to the Internet?*

Please use the lobby computers, available at your nearest local Labor office. Most local libraries also offer public computers and free Internet access.

### *How do I file online?*

Ask at the front desk for assistance or find instructions at <http://labor.idaho.gov/pdf/how-to-file.pdf> in English or <https://labor.idaho.gov/pdf/how-to-filespan.pdf> in Spanish.

**T**o file your weekly claim online from any location, any time, visit [labor.idaho.gov/iw](http://labor.idaho.gov/iw). The first page of the continued claim system is pictured on the right.

The screenshot shows the 'Idaho Department of Labor' logo and the text 'Welcome to the IdahoWorks System'. Below this, it says 'Please select from one of the options below.' There are two main columns of buttons. The left column is under 'Job Search Activities' and includes: 'Register / Update Registration', 'Find a Job', 'Create / Edit a Resume or Searchable Profile', 'Access the Internet', and 'Registrarse (Español)'. The right column is under 'Unemployment Insurance Claims' and includes: 'File New Claim/Reopen Existing Claim', 'File Weekly Continued Claim Report', 'Archive el Reclamo Semanal (en Español)', 'Check Benefit Eligibility', 'Payment Summary', 'YearEnd 1099-G', 'Online Eligibility Review', and 'Direct Deposit'. At the bottom, there is a link: 'Get answers about [direct deposit](#) or [debit cards](#) (click on either one).'
