Ongoing

LD 502b: Everyone Wins — When School and Public Libraries Cooperate! (National Version)

In this course, librarians will gain increased knowledge of school and public library cooperation. Participants will learn about best practices for school and public library cooperation, models of partnership and the best resources for further exploration and development. A special feature of this course is a series of recorded interviews with leaders in school and public library cooperation, providing participants with the opportunity to learn directly from their colleagues. This version of the course is unmoderated and open to all library staff. For more information and to register, please visit:

<http://www.tsl.state.tx.us/ld/workshops/online/ld502b/>

Archives

[Technology Essentials 2010](#), WebJunction online conference. All [session archives](#) of the 10 presentations are now posted and include the contributions of ideas, links and resources posted to chat throughout the conference. The conference drew over 700 participants over the 2 days.
