Unless otherwise noted, all documents, forms, etc. can be accessed at <http://libraries.idaho.gov/page/resources-first-book-participants>.

Here is a checklist and timeline for the year. **Required documents are in red.**

Before your first distribution:

- Partners and Enrollment Form: Due by September 10, 2015.** You were given a form with your original numbers at or before your orientation session. Each library needs to update and submit this form, which will help us keep track of communication and numbers changes throughout the year.
- Plan for Distributing My First Books:** Meet with your partner before your first visit. This form will help you schedule your visits for the year and plan your storytimes. Give your partner a copy of the plan.
- Letter from the library to parents explaining the program:** You can write your own letter or use the one from ICfL. The ICfL letter is available in Spanish. You must also send a letter home with any child who joins the program later in the year.

September through May:

Books: One per child, only give out specified titles to designated age groups, for specified month.

The Bookworm: Color copies will be provided for each child and will be sent with your box(es) of books. Additional copies can be printed from our website.

The Bookworm in Spanish: Can be printed from our website for Spanish-speaking families. If you would like ICfL to make copies, indicate that on your Partners and Enrollment Form.

Translation of book text: When available, we will provide you with a Spanish translation of the English text. This will be sent with your cover letter.

- Parent Workshop/Family Event:** Events must be completed by May.
(Use the recommendations in **Motivating Parents to Attend Your Event** to help plan and promote your event.)

February – March:

- Applications for 2016-2017:** If you wish to participate in the MFB program next year, you must submit your application by **April 22**. Applications will be available on our website in February. Begin distributing Community Partner Information Sheets to current or prospective partners now.
