

Final Report:

Due June 1, 2016

Please fill out this report online: <http://libraries.idaho.gov/page/resources-my-first-books-participants>.

You will be asked to submit the following data/information/feedback in your online report:

General Outputs

- Number of parent surveys submitted from each partner (each listed separately). **Don't forget to read through them and take notes before sending them in!*
- Number of children served by your My First Books (MFB) program this year for each age group.
- Number of "programs" hosted (see description on reverse)*

Library Cards

- Number of library cards issued to MFB families/children, and any challenges regarding issuing cards.
- Number of nonresident cards issued to MFB children and/or families (if applicable), and whether your library made accommodations for nonresident fees.

Book Distributions

- Brief description of your distributions (lessons, activities, etc.), and any problems or challenges.
- Benefits of participating in the MFB project.
- Feedback regarding the book titles chosen this year.
- An anecdote that is the consequence of MFB for a specific child or family.

Family Event or Parent Workshop

- Date, location, title of event
- Number of people who attended (children, parents, total)
- Role of partner organization(s)
- Resources used
- Brief description of workshop/topics covered (mail/email any program and/or publicity info, photos, separately).
- Changes to strengthen format/attendance rate.

Email any photos to staci.shaw@libraries.idaho.gov.

Send parent surveys to:

***Number of programs:** Each time you visited a classroom to do your storytime and book distribution from September through May count that as "1." (Examples: If you have just one classroom you visit each month your minimum will be 9. If you have one partner but they have two classrooms, it would count as 2 each month, for a minimum of 18. You have 6 partners, a total of 9 classrooms, so that would be 81.) Also count your Early Literacy Event as a program (if you did multiple events count each one).
