Project or Team Name: Reading Rocks

Book Title/Author: The Last Olympian by Rick Riordan

Library Name: Madison Library District

Essay: Not only filled with high riding humor the Percy Jackson & The Olympians series is an amazing way to learn about mythology. Rick Riordan has recreated the old myths in a way that new readers can enjoy them, spinning a plot so quickly you can't help but be whisked away on the adventure with Percy and his friends. Greek terms that spring up on history tests are common knowledge once you've read these books, helping you figure out who is who and what monster did what. If you're stuck without a book to read I sincerely recommend you pick up this New York Times Bestselling Series.
