**Margaret Pettis** is a former career high school English teacher from Hyrum, Utah. A published poet and author of *Chokecherry Rain*, she is also an artist whose illustrations of wildlife and nature have been featured in dozens of publications. She is the winner of three Utah Arts Council awards for her novels and poetry and is a past Utah Poet of the Year. She won the Huntsman Award for Excellence in Teaching in 2006 and the state PTA's Golden Apple Award for distinguished teachers the same year.

Margaret has participated as a Let's Talk About It program scholar since 1990.
