Teens & Technology 2013

Facilitators:
Erica Compton
erica.compton@libraries.idaho.gov
Sue Walker
sue.walker@libraries.idaho.gov
Kellie Dean, PCS Edventures!
kdean@pcsedu.com
Suzy Haslip, PCS Edventures!
suzy.haislip@pcsedu.info

Training Purpose:

Provide participants with the knowledge, resources, and skills to use selected tools for formal and informal tween/teen programming in library Make IT spaces.

Desired Outcomes:

By the end of the training, participants will:

1. **Share highlights of programs completed during the first part of the project.**

2. **Be knowledgeable of the nomenclature, building techniques, and curriculum in robotics kits.**

3. **Develop skills to implement formal and informal tween/teen programs using robotics kits.**

4. **Improve evaluation and inventory management techniques and tools.**

ICfL Idaho Commission for Libraries

Agenda

Time	Activity	Type
8:30 a.m.	**Full Breakfast, sign in, and networking**	
8:55 a.m.	Welcome & Housekeeping Agenda Review	Discussion
9:00 a.m.	**Library presentations #1 and #2** **Share brief overview, challenges & successes**	**Presentation**
9:30 a.m.	What is Robotics? Introduction to the Robotic Education Packs	Presentation
10:15 a.m.	**Break**	
10:30 a.m.	The Brain and The Cortex	Presentation
11:45 p.m.	**Library presentation #3** **Share brief overview, challenges & successes**	**Presentation**
12:00 p.m.	Lunch	
12:30p.m.	**Stealth Programming** **Brainstorm ideas for materials/projects**	Brainstorming
1:00 p.m.	Library Presentation #4 Share brief overview, challenges & successes	**Presentation**
1:15 p.m.	**Continue Brain and The Cortex**	**Activity**
4:15 p.m.	Library Presentation #5 Share brief overview, challenges & successes	Presentation
4:30 p.m.	**Challenges, Issues, Ideas that need to be addressed**	**Discussion**
5:00 p.m.	End of Day

Pilot Project Participants:

Ada Community Library:
♦ Travis Porter
♦ Denise Burnett
♦ Alex Hartman

Community Library Network:
♦ Nick Madsen
♦ Morgan Chevally
♦ Denise Neujahr

Gooding Public Library
♦ Cindy Bigler
♦ Sue Sabala

Meridian District Library
♦ Megan Egbert
♦ Nick Grove
♦ Kate Radford

Snake River School Community Library:
♦ Sherrilynn Bair
♦ Emily Perkes

Agenda

Time		
8:00 a.m.	Breakfast; Working time to update Facebook page	Activity
9:00 a.m.	**Building with REP Kit Materials**	**Activity**
10:15 a.m.	Break	
10:30 a.m.	**Continue with Builds**	
12:00 p.m.	Lunch	Discussion
12:25 p.m.	**Evaluating teen programs and overall project**	**Discussion**
1:00 p.m.	Building and Programming = Robotics	Activity
3:30 p.m.	**Break Down/Clean Up**	**Activity**
	Muddy and Marvy—Robotics	**Discussion**
4:00 p.m.	**Next Steps**	Discussion
	Plus/Delta	
	Evaluations	
4:30 p.m.	**End of day two**	
	Organize Project Materials	
	Load Cars
