Facebook Page Template

I asked my library aides what format we could use, and they decided on a Facebook page. All students were invited to participate, and it was mandatory for my library aides. The Facebook pages are individually done and have the descriptions of the get-away. We made a Google slide to invite the school to participate with the opportunity to win books for the library and also have their names in a raffle for a \$5 gift card (there are two) to the local Middleton Espresso.
