Library Name: Midvale Community Library

Essay: I was looking for people to take pictures of to make the poster for Teen Read Week. I came into the library and found Dalton, so I asked him if he would like me to take a picture of him with his favorite book. He decided to go ahead and let me take one. He had The Diary of a Wimpy Kid: The Last Straw in his hand. I got out my camera and took this picture.

Over the next couple of days I took pictures of other students and even some faculty. I enjoyed taking the pictures, because I was excited about making the posters. After taking the pictures I went down to the Midvale Community Library and worked with the librarian, Myrna Weikal, in making the posters. I am excited about seeing the finished products and I think the other kids will be, too.
