OUT-OF-SCHOOL TIME MATTERS!

LIFELONG LEARNING

A relatively small percentage of waking hours across the life span are spent in formal educational environments.

- 18.5% in Formal Learning Environments
- 7% in Informal Learning Environments

Source: Learning in Informal and Formal Environments Center
OUR MODEL

Train & scaffold the learning

Focus on the design process

Expand impact through outreach

Build MAKERS – not spaces

Develop mentor network
LESSONS LEARNED

Engages all ages

Builds new partnerships & fosters collaboration

IT’S FUN!

Stealth programming rocks!

Making can happen ANYWHERE!

It’s not all about the tools or $$
WHAT IT LOOKS LIKE
NEW DIRECTIONS

Engage young makers

Circulate making kits

- Arduino
- Bicycle Repair
- Bongos
- Catapults
- Circuits
- Crochet
- Drawing
- Electric Guitar
- Fitness
- Knitting
- MaKey - MaKey
- Raspberry Pi
- Robots
- Ukulele
- 3D Printing
WHAT WILL YOU MAKE?
