Essay:

The book I wanted to include in the poster is Warriors Midnight. I wanted to include it because it talks about cats that fight and it sounds cool. My favorite character is the Thunder Clan.

The book I wanted to include in the poster is Mocking Jay. I wanted to include this book in the poster because this is one of my favorite series. It is thrilling, violent and full of action. My favorite character is Katniss, of course. She is smart, witty and independent.
The book I wanted to include in the poster is The Son of Neptune. It is the best book I’ve read. Better than Harry Potter. If you haven’t read this series, you should. They are my greatest discovery. My favorite character is Hazel because she is my type, definitely!
