### **Commissioner from Southwest Idaho Appointed to ICfL Board**

BOISE, ID – Idaho Commission for Libraries (ICfL) is pleased to announce that Mark Alldredge, a Boise certified public accountant, has been appointed by the Governor’s Office to the Board of Library Commissioners for a five-year term ending June 30, 2019.

An Idaho native born and raised in Caldwell, Alldredge earned his bachelor’s degree in accounting from the University of Idaho. In addition to audit and accounting skills, he has experience in performance management, strategic planning, budgeting, and relationship building. Having benefitted from numerous library programs as a child, Alldredge recognizes the role that libraries play in lifelong growth and development and the challenges Idaho libraries face in reaching underserved audiences in a geographically vast and highly rural state.

Allredge fills the Board position that represents southwest/south central Idaho. ICfL and the Board look forward to working with him.

The Board of Library Commissioners is the policymaking body for ICfL. Idaho Code 33-2503 lists the Board’s powers and duties.
