5. Save this document in **.pdf format** and email the file to [Erica](#) or [Sue](#) by the April 6, 2015 deadline.

### Project Information:

- Library Name: Shoshone Public Library                      Library Contact: Clay Ritter
- A short description about the creation. What media, computer program, or design method was used:

We had the Teens working on Homopolar Motors for our Teen Tech week project and one of the girls came up with a double heart spinner and got it balanced just right that it ran until the battery ran out of juice! Copper, a AA battery and some magnets. It spun around right there until it finally ran down and stopped like this:
