Library Name/Project Name or Identifier: Taylorview Middle School/Paper Towns Dream Get-Away

A short description about the get-away. What media computer program, or design method was used.

The reason why I chose "Paper Towns" as my Dream Get-Away is because in the book, "Paper Towns," the main character Quentin and his friends Ben, Radar, Angela and Lacey all go on a very crazy and exciting adventure to go find Margo Roth Spiegelman who's gone missing. The reason why I think this would be a good get-away for me is because if I ever get to go on a crazy adventure then I would want my friends to be there with me so together we can experience all the crazy, funny, unexpected, scary, fun and mysterious things together. Another reason on why I see this as my dream get-away is because my family and I don't ever get to go on vacations so although I know that road trips are crazy, I know that they will be more fun with my friends and a great story to tell someone someday. This is why I chose "Paper Towns" as my Dream Get-Away. –Sabrina Villeda
