Nothing’s scarier than running out of time for your book order! Here are some spooky new releases to consider for your next batch:

- *Ghost Cat* by Eve Bunting
- *The Wolf, The Duck & The Mouse* by Mac Barnett & Jon Klassen
- *The Princess in Black #5* by Shannon Hale
- *The Scariest Book Ever* by Bob Shea

### Not-so-scary checklist:

- Meet with K & 1st grade teachers to explain the grant, its goals, and its requirements.
- Send home a letter to parents explaining the grant and why it is important to read at home with their kids. A [sample letter](#) in English and Spanish is available for your use in the “Reports and Documents” section.
- Keep administrators informed of your progress.

Successful grantees have their grant funds spent in the 1st semester.
