

WebJunction Idaho Workshop Agenda for Mini-Sessions

Mining for Golden Nuggets in WebJunction Idaho

Purpose: Explore the navigation tools to find content and continuing education opportunities

Learning Objectives:

By the end of the workshop participants will be able to

1. Navigate the content and courses tabs of WebJunction Idaho
2. Use MyWebJunction tab to track bookmarks, groups, and courses on WebJunction Idaho.
3. Reflect on the use of this knowledge in their personal and professional life.

At the end of the workshop you will have

- An account with WebJunction Idaho with appropriate privacy settings which allow the user to connect and interact with other librarians.
- Navigation tools to discover content and courses on WebJunction Idaho.
- List of tips to maximize the benefits of self-directed learning.
