

WEB SITES AND APPS TO HELP YOU...

Flipboard

<https://itunes.apple.com/us/app/flipboard-your-social-news/id358801284?mt=8>

Designed for the iPad and iPhone, Flipboard is a personal news magazine filled with everything being shared across the Web, from breaking news to stories on world events, sports, travel and more. Simply pick a few topics and your Flipboard is instantly populated with the news you care about. If you want more, use the search bar to find favorite sources or browse recommended reading from the staff at Flipboard. When you find a new source you love, just tap the “+” to add it to your Flipboard. And if you’re short on time, use the Cover Stories tile to see some of the most interesting stories from all of your sections on Flipboard.

Hipstamatic

<http://hipstamatic.com>

<https://itunes.apple.com/us/app/hipstamatic/id342115564?mt=8>

Hipstamatic is an app for the iPhone and iPad that lets users shoot beautiful and creative photos using a variety of “lens” and “filters.”

List.ly

<http://list.ly>

List.ly is a way to create and share lists, as well as integrate collaborative lists into your own blog posts, acting as a catalyst for others to build upon the lists you share.

Paper.li

<http://paper.li>

Paper.li is content curation service that enables you to become Editor-in-Chief of your own news site and publish topic based newspapers from content you find anywhere on the web.

Pearltrees

<http://itunes.apple.com/au/app/pearltrees/id463462134?mt=8>

Pearltrees is a free visual and collaborative library that lets you keep everything you like at your fingertips. Its unique interface lets you organize and retrieve your favorite web pages, photos and notes—even offline.

Pinterest

<http://pinterest.com>

<https://itunes.apple.com/us/app/pinterest/id429047995?mt=8>

Pinterest is a tool to find your inspiration and share it with others. Use it to collect things you love, organize and plan important

projects, and more.

Scoop.it

www.scoop.it

<https://itunes.apple.com/us/app/scoop.it/id487321972?mt=8>
