**Project or Team Name:** Micaela Revels

**Book Title/Author:** Trudy's Promise by M.K. Preston

**Library Name:** Wendell High School Library

### Essay:

Trudy's Promise is a novel of a mothers love for her child and how far she will go for freedom. I chose Trudy's Promise because it shows how far a mother will go to protect her child. I started reading this book and I couldn't stop. I started on a Friday afternoon and was finished Saturday midday. It taught me about the Berlin wall and how it was a separation of families and friends. It taught me some basic German words. This is the kind of book I would recommend to anyone. It really shows how love can be divided, bind back together and repaired as if nothing ever happened.
