

Construction Man Paper Craft

Materials you will need for Construction Man are a tp roll, glue, scissors, something to color with and/or a piece of paper.

Carefully cut out the pieces for the Construction Man

Color the tp roll blue with marker, crayon or paint or cut a 3 3/4" X 6" piece of blue paper and glue it to the roll.

Glue the "toolbelt" piece around the center of the tp roll.

Glue on the head and arms.

Glue the feet onto the front of the roll. (See Picture)

Glue the hammer onto the toolbelt or into one of the hands.
