

FREE HANDS-ON EARLY LITERACY WORKSHOP

Focuses on the importance of reading to children, laying a foundation for getting children ready to read, and how to use free resources found in the local library.

A free Literacy Kit containing books and materials will be provided for each classroom.

Three IdahoSTARS credits are available at no cost.

The skills developed are appropriate for use with children ages 2 years through kindergarten.

“ I can use all this great information and resources in my classroom immediately! ”

— Pocatello preschool teacher
