

Trustee Involvement in the Idaho Library Association

The Idaho Library Association (ILA) (www.idaholibraries.org) is Idaho's professional association for librarians, library staff, and trustees. They offer advocacy, education, professional development, leadership opportunities, and education opportunities.

The Idaho Library Association has members representing libraries of all sizes in all areas of the state. We are academic, public, and school librarians. We are trustees, retirees and friends. We are clerks, specialists, assistants, students and secretaries. Our interests are your interests—literacy, intellectual freedom, and library service for all Idaho citizens.

ILA benefits include access to powerful and effective representation before state legislators and leaders by our ILA legislative team, leadership development and networking opportunities, discounts on ILA annual and regional conferences, access to the ILA membership directory, and access to ILA scholarships, grants and awards.

Trustees and Friends of the Library memberships are only \$35 annually.

Join ILA today and help us make great things happen for Idaho libraries!

Join at https://idaholibraries.nationbuilder.com/membership_friend_trustee

ILA members have access to both the annual and regional conferences at a discounted rate.

Plan to attend the Idaho Library Association Annual Conference, October 4th -- 6th, 2017 at the Riverside Hotel in Boise. Register at <http://conference.idaholibraries.org>.

If you can't attend the whole conference, consider attending a free or low-cost (\$10) three-hour advocacy session on October 4.
