

Make It/Take It Kits

Developed by Meridian District Library

Each Make It/Take It kit would pair resources from our collection (Books, CDs, DVDs, etc.), resources outside our collection (tutorials, youtube videos, etc.) and maker resources, all happily living in one themed kit.

Electronics & Science-y Kit ideas:

Soldering Kits (waiver?)
Raspberry Pi Kits
Kaleidoscope Kits (I have a bunch of mylar mirrors)
Balloon-Powered Car Kits
Spinbot Kits
Geocaching/Orienteering Kits
