

VI. GENERAL, MISCELLANEOUS REVENUE, AND LIBRARY SERVICES IMPROVEMENT FUNDS
C. Grants – Summer STEM from Your Library Grant - \$600 Each – Information Item

The Idaho STEM Action Center provided funds to the Idaho Commission for Libraries (ICfL) to award public, school, or academic libraries \$600 each to help pay for materials or presenters to support STEM outreach efforts during the summer. ICfL provided a toolkit for learning activities, a branded yard sign, STEM books, and other resources. The Summer STEM program has three primary goals:

- Increase access to fun, engaging, hands-on STEM activities for underserved youth beyond the normal library programming efforts
- Increase children's access to books over the summer months
- Increase the number of children who minimize learning loss during the summer

Final reports are due to ICfL by September 18, 2019.
