

IX. OLD BUSINESS

A. State Librarian Retirement Date – action item

May 28, 2019

Dear Board members,

My official retirement date is June 21, 2019. It was postponed slightly due to the combination of unexpected activities during the legislation, accumulated vacation, and PERSI's timeline.

In addition to the week of the Futures Camp, I expect to be in the office 2-3 more days between now and June 21. Most of my responsibilities have been handed off to Stephanie, some to Roger and Randy. Sorting of paper files is almost done, but I have a ways to go with the electronic files.

Working for the Commission has offered me many opportunities for learning and growth, and to work with many dedicated and creative library workers here and throughout the state. I'm grateful that I found such rewarding work in a very enabling environment. Thank you for your ongoing support and guidance.

Very sincerely,
Ann

Ann Joslin
