

VI. GENERAL, MISCELLANEOUS REVENUE, AND LIBRARY SERVICES IMPROVEMENT FUNDS
C. Grants – Summer STEM from Your Library Grant - \$500 Each – Information Item

The Idaho STEM Action Center provided funds to the Idaho Commission for Libraries (ICfL) to award public, school, or academic libraries \$500 each to help pay for materials or presenters to support STEM outreach efforts during the summer. ICfL provided a toolkit for learning activities, a branded yard sign, STEM books, and other resources. The Summer STEM program has three primary goals:

- Increase access to fun, engaging, hands-on STEM activities for underserved youth beyond the normal library programming efforts
- Increase children’s access to books over the summer months
- Increase the number of children involved in STEM activities to minimize learning loss during the summer

This year we are including virtual and asynchronous STEM activities to qualify as outreach. For example, if gatherings of people are limited due to the coronavirus pandemic, libraries could demo STEM activities on social media, or create STEM kits to be picked up at food distribution sites. We also extended the time that the grant can be implemented to September 30 (previously August 31). Final reports are due to the ICfL by October 2020.

Library Name	City
Aberdeen District Library	Aberdeen
Ada Community Libraries - Hidden Springs Branch	Boise
Ada Community Library - Lake Hazel Branch	Boise
Ada Community Library - Star Branch	Star
Ada Community Library - Victory Branch	Boise
Armoral Tuttle Public Library	New Plymouth
Boise Basin Library	Idaho City
Boise School District - Koelsch Elementary School	Boise
Boise School District - Traditional Summer School	Boise
Burley Public Library	Burley
Caldwell Public Library	Caldwell
Caldwell School District - Lewis and Clark Elementary	Caldwell
Caldwell School District - Van Buren Elementary	Caldwell
Challis Public Library	Challis
