

WELCOME

to the Caldwell Public Library!

Did you know that kids can get THEIR OWN LIBRARY CARD?

- **To get a library card, children should come to the library with their parent or legal guardian.** The parent/guardian should bring photo ID and a piece of mail showing current address delivered in the last 30 days.
- **Computer-use services are available with a library card.** Just one more really GREAT reason to get a library card for everyone in the family! An Internet-only card is free.
- **Here are a few more reasons to get a card today:** you can borrow books, movies, ebooks, and music from other libraries in the Treasure Valley. These items can be delivered to the library of your choice (for many people, Caldwell Library will be that library). Electronic resources like databases for school research and NovelList for finding that next great read are free as well!

QUESTIONS?

You can ask a librarian
[infolibrary@
cityofcaldwell.org](mailto:infolibrary@cityofcaldwell.org)
or call: **208.459.3242**

VISIT US TODAY!
