

V. FEDERAL FUND**C.1 Grants – CARES Act Mini-Grants and LSTA Applications Received – Information Item**

The ICfL was awarded \$161,477 as Idaho’s portion of the funds appropriated to the Institute of Museum and Library Services (IMLS) through the Coronavirus Aid, Relief, and Economic Security (CARES) Act. This funding is to be used to address digital inclusion and related technical support in the context of workforce development and/or broadband availability.

The ICfL staff decided to immediately offer the first portion of this funding (up to \$100,000) as competitive mini-grants (\$250-\$1,000 per location) to address digital inclusion needs for public libraries (including branches and bookmobiles) and special libraries. A list of recipients follows:
