

VI. FEDERAL FUND
C.1 Grants – ARPA Applications Awarded – Information Item

The ICfL was awarded \$2,398,059 as Idaho’s portion of the funds appropriated to the Institute of Museum and Library Services (IMLS) through the America Rescue Plan Act (ARPA). This funding is to be used to meet the following IMLS priorities:

- A. First, to support digital inclusion efforts to enable libraries to reach residents such as through internet hotspots, accessible Wi-Fi, and digital content and related resources, particularly in support of education, health, and workforce development needs.
- B. Second, to provide rapid emergency relief to libraries across the country, allowing them to safely respond to the pandemic and implement public health protocols.
- C. Third, to support library services that meet the needs of communities throughout the U.S., including costs such as personnel, technology, training, materials, supplies, equipment, and associated indirect costs; and
- D. With respect to (A), (B), or (C), reach tribal and museum partners best positioned to assist with pandemic response efforts, in addition to traditionally eligible library entities, where appropriate.

The ICfL staff decided to immediately offer the first portion of this funding (up to \$1,800,000) as competitive grants to address the IMLS funding priorities for academic, public, school, special, and tribal libraries. The ICfL received 74 applications requesting \$2.837 million in funding. The ranking committee scored all applications and selected those that scored above a determined minimum threshold that had a strong digital inclusion element and then moved to those that met safety needs. The available funding did not allow the ranking team to award grants to libraries applying for support of library services that did not have a strong digital inclusion or safety element. The list of the 48 recipients follows:

Grant No.	Library Name	City	Amount
ARPA 22-01	Armoral Tuttle Public Library	New Plymouth	\$7,500
ARPA 22-02	Bear Lake County Library	Montpelier	\$6,700
