

IV. LEGISLATION – POLICIES - RULES

B.3. Policies – Digital Repository of State Publications Exemption

The Digital Repository of State Publications Exemption was passed by the Board and became part of the agency's Rules through the 2020 legislative process. These Rules expired on July 1, 2021. The state librarian is recommending that they become Board policy rather than a Rule going forward.

DIGITAL REPOSITORY OF STATE PUBLICATIONS.

All state publications intended for distribution to the public must be deposited with the Commission according to Section 33-2505, Idaho Code. The Board may, however, grant exemptions from Section 33-2505, Idaho Code, for any publication or class of publications in the interest of economy and efficiency. Exemption requests may be made by state agencies or the State Librarian. Any formal Board action will be documented in the Board minutes and communicated to the requestor.

Suggested motion: I move that the Board adopt the Digital Repository of State Publications Exemption policy as outlined in Board Document 22-34.
