B.2. Policies – Digital Repository Exemption – Action item

The Digital Repository of the State Publications Exemption was passed by the Idaho Board of Library Commissioners as a rule in 2020, then adopted as a policy in April 2022. The Board is now scheduled to review the policy annually. The current policy is available for the public to view at <https://libraries.idaho.gov/about/policies>, and the full text is below.

Policy – Digital Repository of State Publications Exemption

All state publications intended for distribution to the public must be deposited with the Commission according to Section 33-2505, Idaho Code. The Board may, however, grant exemptions from Section 33-2505, Idaho Code, for any publication or class of publications in the interest of economy and efficiency. Exemption requests may be made by state agencies or the State Librarian. Any formal Board action will be documented in the Board minutes and communicated to the requestor.

Suggested motion: I move that the Board adopt the Digital Repository of State Publications Exemption policy as outlined in Board Document 23-38.
