The Institute of Museum and Library Services (IMLS) announced on January 5, 2023, that the Grants to States budget would increase to \$180 million. This appropriation enacts the statutory base of \$1,000,000 for each state, the District of Columbia, and Puerto Rico, and \$100,000 for the other territories. Other fluctuations compared to last year are based on population shifts and Maintenance of Effort distribution. IMLS had \$1.2 million to redistribute this year compared to \$525,000 last year.

Idaho's allotment for LSTA23 is increased to \$1,740,506 with a matching requirement increasing to \$896,624.30. This is an increase of \$217,860 over last year's allotment of \$1,522,646.

Construction funds were proposed, but ultimately not included in the IMLS budget bill.
