

VI. General, Miscellaneous Revenue, and Library Services Improvement Funds

C.1. Grants – Summer STEM Grant Applications Received – Information item

Sixty-four Idaho libraries were awarded the \$500 Summer STEM Grant to increase summer learning opportunities in the fields of science, technology, engineering, and math. Open to public, school, academic, and tribal libraries in Idaho, the grant was awarded on a first-come, first-served basis to qualifying applicants. Grant recipients plan to create meaningful and engaging youth STEM programs and activities by purchasing STEM-related materials, supplies, and kits, and/or bringing in fun and educational presenters.

This grant is made possible through a partnership with the Idaho STEM Action Center. The center’s mission is to advance innovative opportunities for educators, students, communities, and industry to build a competitive Idaho workforce and economy through STEM and computer science education. The STEM Action Center awarded a \$35,000 sponsorship grant to the Idaho Commission for Libraries to carry out this program. Funds will also be used to purchase and send the awarded libraries additional STEM tools.

Awarded Summer STEM Grants – FY2023
