

VI. General (state funds), Miscellaneous Revenue, and Library Services Improvement Funds

A.1. Finances – FY2023 Education Opportunity Resource (EOR) Reimbursements – Information item

The Idaho Commission for Libraries (ICfL) is responsible for distributing internet service cost reimbursements to public libraries through the Education Opportunity Resource (EOR) Act, as outlined in Idaho Code 33-5602 to 33-5605. EOR reimbursements cover the internet service costs that remain after E-rate discounts, which are administered by the Universal Service Administrative Company under the direction of the Federal Communications Commission. When combined, federal E-rate discounts and state EOR reimbursements can fully cover a public library's internet service costs. EOR reimbursements are available to eligible libraries every six months.

Below is a summary of reimbursements the ICfL provided in fiscal year 2023.
