C.i. Grants – Continuing Education Grant Awards

Libraries apply on a continuous basis for Continuing Education (CE) Grants. CE Grants are funded with Library Services and Technology Act (LSTA) dollars. CE activities must support an identified need to meet one of the following goals:

- Fund continuing education opportunities to enhance the skills of the current library workforce and advance the delivery of library and information services.
- Fund continuing education activities in the areas of first-time conference attendance, library science course enrollment, leadership development courses, and group training activities.
- Build the institutional capacity of libraries to best serve their communities.

Grant award amounts are based on the estimated expenses submitted in an application. Funds – up to the amount of the award – are disbursed after the continuing education activity is completed and receipts are submitted. The total awarded will typically exceed the total disbursed.

Each year, a handful of grant recipients choose to cancel an award because they are unable to attend their event or take their course. The funds for cancelled awards are not disbursed, and the grant amount is subtracted from the total awarded to all recipients for the fiscal year. Recipients who cancel their awards are encouraged to apply again in the future.
