

# February Family STEM Night Workshop

Join Read Talk Play Everyday, the library and Sam from Idaho Public Television for a night of fun STEM activities!

**What:** A family workshop focused on interactive science and math activities. This month we will be focusing on numbers.

**Who:** Families with children Pre-K to 1<sup>st</sup> grade (While the activities are geared towards children ages 2-5, please feel free to bring older or younger children to participate or help with the fun.)

**When:** February 27th from 6-7:30.

**Where:** American Falls Public Library

**Why:** This activity will focus on engaging science activities that you can do with your children. It will help you develop a stronger connection with your child while helping them develop important school skills.

**The workshop will be presented in English & Spanish.**

Every family will receive several books to take home!
